

8 volt solar battery charger

What is a solar battery charger?

A solar battery charger allows you to harness the energy of the sun to keep your battery charged. Solar chargers are also a great way to maintain batteries in vehicles that aren't used often. Since they don't need a plug-in power source, they can be used nearly anywhere. This makes them perfect for motorcycles, ATV's, and marine vehicles.

Is there a charger for 8 volt battery?

It's hard to find chargers for 8 volt batteries. This little charger / maintainer is the safe, easy answer to keeping my tractor battery ready to install when warm weather arrives. The battery is holding at 8.64 volts and should be just fine to start my Ford 860 in the spring. Good investment !!
