

Aaa nimh rechargeable batteries for solar lights

These NiMH AAA rechargeable batteries are designed for solar lights, offering high capacity and pre-charging for reliable power. Signed for solar lights, these rechargeable Ni-MH AAA batteries offer a high capacity of 600mAh and come ...

This Pack of 10 Solar Light Rechargeable Batteries will replace your existing 1.2 Volt AAA Ni-MH. The 600mAh holds more energy than a 300mAh or 400mAh, which will give you more hours of light at night, and will not hurt your circuitry.
