

Audi solar battery charger

Should you use solar car battery chargers?

The sun is a near-unlimited source of free electricity, which makes the idea of using solar car battery chargers so tempting. If you need to charge your car's battery but don't want to plug in a traditional car battery charger, one of these clever solar panels on your dashboard can supplement battery life, preventing a flat battery.

Which solar charger should I use outside my car?

For use outside the car, the Photonic Universe 10W would be our choice, with the Topsolar panel close behind. Solar chargers are incredibly useful but should the worst happen then you will need a jump starter pack. [Click here to discover the best car jump starter packs...](#)

Are Audi Chargers tax deductible?

Our Audi chargers allow for your car to recharge while you sleep. This can also be tax-deductible and paired with solar energy. Every product that EVSE sells comes with an industry-leading warranty and quality guarantee. Charge Smarter. Charge Faster

What is a solar battery charger?

A solar battery charger allows you to harness the energy of the sun to keep your battery charged. Solar chargers are also a great way to maintain batteries in vehicles that aren't used often. Since they don't need a plug-in power source, they can be used nearly anywhere. This makes them perfect for motorcycles, ATV's, and marine vehicles.

Do you charge Audi EVs in Australia?

Whether it's the Quattro 55, the A3, or the Q7, we charge all Audi vehicles on the Australian market. Our installation team is highly trained and experienced in installing Audi chargers, that way you can have an installation as clean as your Audi EV. Our on-site evaluations follow a strict checklist on what to look for on a site.

Which solar charger should I buy?

The PV Logic is easy to use and store and performed well at a reasonable price. For use outside the car, the Photonic Universe 10W would be our choice, with the Topsolar panel close behind. Solar chargers are incredibly useful but should the worst happen then you will need a jump starter pack.
