

# Batteries for sol republic

What happens if you use a non-Sol Republic battery or charger?

Using a non-SOL REPUBLIC battery or charger may present a risk of fire, explosion, leakage, or other hazard. SOL REPUBLIC's warranty does not cover damage to the product caused by non-SOL REPUBLIC batteries and/or chargers. Responsible and safe driving is your primary responsibility when driving a vehicle.

What is the Motorola X Sol Republic deck?

The Motorola X Sol Republic Deck is a bluetooth speaker designed by Motorola, released in August 2013. Did I blow my speaker? These are some common tools used to work on this device. You might not need every tool for every procedure. If you are having difficulties with the Sol Republic Deck, try referring to the troubleshooting page.

Does Sol Republic have a warranty?

Your SOL REPUBLIC product is covered by a worldwide limited warranty by SOL REPUBLIC Inc, 9375 SW Commerce Circle, Suite 9A, Wilsonville, OR, USA for defects in materials and workmanship. The warranty period is two years for SOL REPUBLIC products purchased in the European Union (36 months in Sweden), and one year for all other countries.

How does the Sol Republic deck work?

When put in Heist Mode the Deck allows up to five people to connect to the speaker at one time, and the status (LED) light pattern that spells 'SOL' across the face assigns a color to each device it's connected to, making it easier to know who is currently playing music. Product information is from the Sol Republic Deck Product Page.

The extended battery life allows for three hours of audio time. SOL REPUBLIC: Sol Republic are music lovers who are committed to changing the world one listener at a time. They are Saviors of Sound ready to rid the world of hollow sounding headphones and speakers.
