

Beats solo 3 wireless battery not charging

How to charge Beats Solo 3?

Firstly, connect your Beats Solo 3 to a power source. Now, long press the power key as well as the volume key. Keep pressing them until the lights start to blink. Finally, release the keys at this point and check whether your Beats Solo 3 is charging now or not. Most probably, your headphones will start charging after a forceful restart.

How do Beats Solo 3 headphones work?

Beats Solo 3 Headphones: These headphones have a built-in rechargeable battery that powers the audio playback and noise-canceling features. Charging Cable: Typically, Beats Solo 3 headphones come with a USB to micro-USB charging cable. This cable is used to connect your headphones to a power source.

Why is my Beats Solo not charging?

Beats Solo won't charge if there is an issue with the charger. Ensure that you only use the beats solo headphones' included charger/power cord. If it doesn't resolve the issue, try another charger, then turn it on. It's also likely that the charging light is faulty and your beats are still able to charge.

How do I know if my Beats Solo 3 has been charged?

The battery indicator will show that they have been charged when you return in at least an hour and you can test them out by seeing whether they can switch on and work. Sweat or water damage to your Beats Solo 3 will prevent it from charging or operating. To get the sweat/water off your headphones, keep them somewhere warm.

Why is my Beats Solo 3 charging port wobbly?

If the port is wobbly (or damaged), you may experience problems charging your Beats Solo 3. Rule this out by observing the charging port and checking if any foreign material, like dirt or lint, is within it. You can use a compressed air can or a soft-bristled brush to clean the port.

Do Beats Solo 3 headphones come with a warranty?

Beats Solo 3 headphones typically come with a one-year warranty, but the duration may vary by region. Customer support will guide you through the warranty process or offer repair options if your headphones are out of warranty. Be prepared to provide proof of purchase and the headphone's serial number when contacting customer support.
