

Boat solar battery tender

What is a solar battery tender?

Thankfully, there is a simple solution to your battery draining problems and that is a solar battery tender. A battery tender, or maintainer, is designed to maintain your vehicle's battery at the optimum charge so that your car is ready to go whenever you are.

Why should you choose a solar battery tender?

It also comes with multiple mounting options such as suction cups to attach to the inside of the windshield or on the dash. One of the biggest benefits of choosing a solar battery tender is portability. You can charge your vehicle's battery anywhere you want as long as there is sunlight.

What is a 12V solar battery charger?

Ideal for RVs, boats, and remote power needs, these chargers harness the sun's energy for continuous power. Our 12V solar battery chargers provide an eco-friendly way to keep your batteries powered. Ideal for RVs, boats, and remote power needs, these chargers harness the sun's energy for continuous power.
