

# Coleman 2 5 w solar battery maintainer manual

Can a Coleman solar battery maintainer be used with a power box?

A: The Coleman 2.5W solar battery maintainer is designed to maintain any 12V battery, when not in use. This solar panel compensates for the natural drop in a battery's charge over time. It is perhaps not best used in conjunction with your power-box. Helpful?

Who makes Coleman solar battery maintainer?
