

Government procurement price of BESS in Ukraine

Ukraine needs a significant amount of BESS over the next few years for grid stabilising, it added. "Securing stable power supply is important for Ukraine, and President Zelensky has defined it as a task for the government to ...

While battery makers delivered price declines of more than 20% last year, in the US marketplace 2025 looks likely to see prices head in the other direction on the back of tariffs. While uncertainty persists as to which tariffs will ...
