

# How to turn off battery saver on garmin instinct solar

How do I Turn on Battery Saver?

You can turn on the battery saver feature from the controls menu (Viewing the Controls Menu). Hold MENU. Select Settings > Power Manager > Battery Saver. Select Status to turn on the battery saver feature. Select Watch Face to enable a low-power watch face that updates once per minute. Select Phone to disconnect your paired phone.

Is Garmin instinct solar a good battery?

Garmin Instinct Solar review: best battery under the sun The Garmin Instinct Solar is a tangibly improved version of the original, and plenty of people will find the benefits of the \$100 premium easy to quantify. The battery life and advanced power modes are superb, the GPX navigation and hiking tracking excellent.

How do I connect my Garmin instinct solar?

Open the mobile app, tap the menu button at the top left and scroll down to 'Garmin Devices'. It will detect your new Instinct Solar and allow you to connect. You'll need to type in a PIN displayed on the watch's face to verify the connection.

What is a Garmin instinct solar?

The Garmin Instinct Solar's body is crafted from rugged fiber-reinforced polymer, with a silicone strap supplied as standard (easily changed via quick-release pins). It's a very practical, tough design, but it's unmistakably plastic, and perhaps not smart enough for everyday wear away from the tracks, trails, lakes and sea.

How does a Garmin instinct solar charge?

Like most modern Garmin fitness trackers, the Instinct Solar charges via a small USB cable that plugs into the rear of the case. It's a design that we prefer to the older-style clips (still used by Fitbit), as it holds more securely and is less likely to become dislodged during charging.

How do I know if my Garmin battery is low?

The watch displays the hours of battery life gained with each setting change. Select During Sleep to enable the battery saver feature during your normal sleep hours. TIP: You can set your normal sleep hours in the user settings on your Garmin Connect(TM) account. Select Low Battery Alert to receive an alert when the battery is low.
