

# Nordic energy storage battery brand

Who is Nordic batteries?

At Nordic Batteries we assemble and manufacture customized battery- and energy storage solutions to drive your business forward. Based on our market and technological expertise we deliver solutions powering the green shift for key industries. High energy battery module produced in Norway from norwegian battery cells.

What is the Nordic battery collaboration?

In the Nordic region, Finland, Norway and Sweden are combining their collective strengths in the battery value chain through the Nordic Battery Collaboration. As a battery region, the Nordics have become a notable actor in the broader European battery market.

Are Nordic batteries looking for a development engineer?

Nordic Batteries are seeking a development engineer for mechanical construction and system design. Factor 47 is operative! The pilot line where Nordic Batteries will produce their first battery modules is now officially open after the visit from former Prime Minister Erna Solberg where she cut the banner to kick it off.

Does Norway have a battery market?

Today Norway has not one, but two huge battery markets. "There are two market drivers for batteries: EVs and stationary energy storage. Energy storage is coming on strong now. It's the key to turning intermittent wind and solar into a stable energy source," explains Pål Runde, Head of Battery Norway.

How does Markus work at Nordic batteries?

Markus works as a Battery Expert at Nordic Batteries, as part of the technical team with focus on quality assurance. From his time as a Postdoctoral Fellow at NTNU he has experience with testing Li-ion batteries to understand and prevent degradation and ageing.

Who is the project manager at Nordic batteries?

Herman is Project Manager within Business development at Nordic Batteries. He holds Master's in entrepreneurship and innovation, and has previous experiences from both startups and strategy consulting within the renewable energy sector. Outside of the office, Herman is an enthusiastic skier, has been a sailor, and an ambitious hobby cook.
