

Schumacher solar battery tender

What is a Schumacher SP-400 solar battery maintainer?

Designed for batteries in boats, cars, motorcycles, trucks, RVs and more. When a car, motorcycle, truck, or other vehicle battery needs to be kept charged and fully maintained far from an outlet, look no further than Schumacher's SP-400 4.8W Solar Battery Maintainer.

Does Schumacher electric offer solar battery chargers?

For nearly 75 years, Schumacher Electric has powered lifestyles by delivering excellent products including our solar battery chargers.

What is a Schumacher solar maintainer?

Since 1947, Schumacher has been designing and producing industry-leading power conversion technology. Schumacher's current range of solar products feature the latest technology and rugged construction for reliable power wherever you are. A solar maintainer is an easy way to ensure your power sport batteries are ready when you are.

Can a solar battery maintainer charge a 12V battery?

Harness the power of the sun to trickle charge your vehicle's 12V battery with Schumacher's SP-200 2.4W Solar Battery Maintainer. With the SP-200, you can ensure a healthy, fully charged battery wherever you are, without the need for an electrical outlet or battery pack.

Does Schumacher electric have overcharge protection?

For additional overcharge protection, consider the SPC-7A Charge Controller, also available from Schumacher Electric. Additional features: • Delivers a 4.8-watt trickle charge

What is a solar panel battery maintainer?

A solar panel battery maintainer, such as the Schumacher SP-1500, is a device that utilizes solar power to maintain the charge of a lead-acid battery. It does not require electricity and can be charged by placing it panel-side up in an area exposed to daylight. The maintainer works in both sunny and cloudy conditions.

The maintainer requires no outside electricity source and can deliver a 15W charge to 12V acid-lead batteries. Includes charger, 12V DC adapter, clamp adapter, mounting screws, and user manual plus the Schumacher SPC-7A charge controller for added overcharge protection.
