

Solar outdoor fountain with battery backup

The solar technology with battery backup allows the fountain to run in and out of the sun. SOLAR POWERED: Direct sunlight is needed to charge the solar panel, but the battery can keep the pump running when the clouds come out. To run on battery mode simply press the Battery On/Off button.

Add a focal point and the soothing sounds of flowing water to your space with this 2-tier solar outdoor water fountain. This fountain runs in direct sunlight but has a battery unit as well which will power the fountain on overcast or cloudy days. A ...

Bring your backyard to life with the exclusive AquaJet 9V Pro solar pump kit made by Silicon Solar. Combine both the power of the sun and it's integrated backup battery system designed to keep your water feature running into the evening.
