

Solar pak 12 battery

Does the Parmak Magnum 12 solar-Pak have a battery?

Featuring the latest state-of-the-art solar panel with superior charging power the Parmak Magnum 12 Solar-Pak eliminates battery recharging, thereby saving you time and money. The sun's energy charges the fencer by day and a sealed 12 volt rechargeable battery powers the fencer at night. Battery included.

What is a solar Pak 12?

Loading reviews... Parmak's Solar-Pak 12 is a solar-powered electric fence charger that can operate up to 14 days without sunlight. Ideal for medium and large pastures, the Solar-Pak 12 can be used to fence larger animals such as cattle, hogs, horses, and sheep. Each Solar-Pak 12 is low impedance and has a range of 30 miles.

How long does a solar-Pak 12 battery last?

Each Solar-Pak 12 is low impedance and has a range of 30 miles. Designed to last, each unit is weatherproof and rustproof. Additionally, each charger comes with a 3-year manufacturer warranty (which covers damage caused by lightning) while the 12-volt battery is warranted for one year.
