

Solar pond aerator with battery backup

The Airmax[®] SolarSeries Aeration System is powerful enough to aerate ponds up to 2 acres and can be adapted to fit uniquely-shaped ponds. It is effective, efficient, quiet, and easy to install! Includes a battery backup for operation after ...

Battery Backup systems store energy during the day (even in low-light conditions) and power the system at night for up to 24 hours of operation. Once installed, your SolarSeries solar pond aerator will run on 100% renewable energy with ...

Our patented battery backup systems are the ONLY solar pond aeration system that can operate day and night, for as long as 20 hours. Other aeration systems that are on the market can only run while the sun is shining. (It is extremely ...
