Does Victoria have a solar battery loan program?

The interest-free battery loan scheme is part of the state government's broader \$1.3 billion Solar Homes Program, which includes the solar battery incentive. It replaced the battery rebate program. Solar Victoria said through solar battery rebates and loans, more than 20,000 solar battery systems have been installed across the state.

Does Victorian have a solar battery rebate?

While the state's solar battery rebate (a direct cash rebate) has ended, it has been replaced with a generous interest-free loan to reduce your upfront costs. Eligible Victorian homeowners can access interest-free loans of up to \$8,800 for installing a home battery system, with the loan repaid over four years.

Can I get an interest-free solar loan in Victoria?

Firstly, it's important to note that to be eligible to apply for an interest-free loan through the program, the product must be an approved home battery, like a sonnenBatterie, and installation must be completed by a Solar Victoria Authorised Solar Retailer.

What is the solar battery loan scheme?

The Solar Battery Loan Scheme is a Victorian Government initiative providing households with access to zero-interest loans to support the installation of approved solar battery systems. In 2025, the program continues to offer: The loan is designed to reduce the cost barrier and support Victoria's renewable energy goals.

Are solar battery loans available?

Solar battery loans are no longer available. Solar Victoria is no longer taking applications for interest-free loans for the installation of a battery system. If you have applied for a loan, please see below for the next steps. On this page [Process for final approval](#) [Loan requirements](#) [Resources](#) [Process for final approval](#)

When does the battery loan program end in Victoria?

Closure of the battery loan program was foreshadowed among the Victorian Government's 2025/26 Budget Papers delivered on Tuesday, May 20, that stated related funding ends on 30 June 2025. It appears there was also a mention on the Solar Victoria website from sometime last week that the scheme would soon end.

Victoria's primary support for home battery installations is delivered through the Solar Homes Program run by Solar Victoria. While the state's solar battery rebate (a direct cash rebate) has ended, it has been replaced with a generous interest ...
