

Solid state battery catl

Contemporary Amperex Technology Co., Limited (CATL), the world's largest lithium-ion battery manufacturer, is making significant strides in solid-state battery development. With more than 1,000 researchers dedicated to the technology, ...

All-solid-state batteries are excellent in terms of energy density and safety, and have great potential, with energy density expected to reach 500 Wh/kg, according to Wu. CATL is working toward a goal of gaining a 1 percent ...
