

Specific list of the energy storage industry innovation alliance

What is the China energy storage Alliance?

The China Energy Storage Alliance is a non-profit industry association dedicated to promoting energy storage technology in China.

What is the future of energy storage?

"Meeting the rising demand for advanced and sustainable energy storage solutions is paramount, especially for heavy-duty transportation and the electric grid. Unlocking unprecedented performance beyond current lithium-ion technology is crucial. Our path forward rests in robust research, firmly rooted in fundamental science."

When is the largest energy storage Conference & Expo?

Welcome to attend the largest energy storage conference and expo, in Beijing, on April 1-3, 2026. See our full membership-> Join Us Learn more about how we can help you, or contact us.
