

Turnkey solar storage inverter EPC contract price in Zambia

Is a solar inverter a good alternative to power holding company of Zambia?

In a country like Zambia where electricity supply is less than adequate and the weather doesn't help matters too, a solar inverter is more than necessary. It is not just a great alternative to the Power Holding Company of Zambia, it is actually a better and cheaper alternative considering the circumstances. Several factors are added for this.

Are victron & sunsynk inverters a good company?

"We purchase all our Victron, Sunsynk inverters paired with the BSL range of batteries from them. The after sales service department is knowledgeable and a good asset in your business. Technical advice, assistance available when needed. Overall this company offers a good service with competitive pricing.

Why do you need a backup system in Zambia?

Load shedding is a constant problem in Zambia which can cause devastating revenue losses. Our backup systems will help you to be prepared in case of power outages. We design solutions that will secure your electronic devices like computers, laboratory equipment or even the complete electricity supply of shopping malls.

At Get Off Grid, we offer a range of high-efficiency solar products to meet Zambia's unique energy needs. Our solar panels, inverters, and batteries provide uninterrupted power, reducing reliance on the grid and lowering electricity costs.

We offer the dedication and experience of our DEWA-certified solar management team to undertake solar EPC turnkey contracting to a new level. Here, we provide in-house engineering, procurement, construction, and commissioning of ...

In addition, the parties will need to consider how the solar and battery are coupled (on either a DC or an AC basis), which will affect round-trip efficiency losses as the energy is transmitted across various inverters. Finally, ...

Established in 2011, we have been one of the early movers in the solar park regime and have now grown into a well-established player in turnkey solar engineering, procurement and construction ("EPC") services, catering to the ...
